

B2 ENGLISH TEST – SPRING & SUMMER 2021

The test

The purpose of the B2 computerised English test is to evaluate the candidates' ability to communicate in English. It tests language usage along with reading and listening comprehension.

The test lasts 30 minutes and 60% of correct answers is its cut-score.

Who can sit the test?

The test is aimed at those students intending to apply for either the Advanced Automotive Engineering, Advanced Automotive Electronic Engineering or Electric Vehicle Engineering course.

Only UNIMORE students and Alumni provided of UNIMORE username and password can sit the test.

To get your UNIMORE username and password please follow the steps published in the guide downloadable from: <https://www.unimore.it/servizistudenti/vediguide.html?gd=28>

Candidates failing the test can retake it on another date, if available.

Technical requirements for the test

Please find all the technical requirements at the following link:

How to prepare for the test

As there are no courses in preparation to the test, candidates are required to do some self-study. The Common European Framework of Reference B2 level corresponds to the Cambridge "First Certificate in English" exam, so any material specific for the preparation of this certificate is a good choice.

Free activities for B2: <http://www.cambridgeenglish.org/learning-english/activities-for-learners/>

Cost of the test

The test is free of charge.

How to register for the test

Online registration form: <http://www.cla.unimo.it/exams/>

Please be sure to sign up for the right test checking the relevant degree course and type (extra UE or UE) of students (e.g. TEST DI LINGUA INGLESE B2 - AAEE + EVE (Inglese) B2 English test extra UE and UE students)
