Technical requirements to take the test remotely

In order to take the test remotely you **MUST** be technically prepared. You will find all the technical requirements at the following link:

<https://www.cla.unimore.it/site/en/home/language-tests/tests-and-exams---technical-info/exams-held-remotely.html>

How to prepare for the test

As there are no courses in preparation to the test, candidates are required to do some self-study. The Common European Framework of Reference B2 level corresponds to the Cambridge “First Certificate in English” exam, so any material specific for the preparation of this certificate is a good choice.

Free B2 level activities:
